

Prayers around the Presbytery 16

Bowhill Pit Memorial

Sovereign God we praise you for what has been. We thank you for what was a blessing then and still is now. In your service, and as we commit ourselves to whatever the future may be for us, help us to grasp each moment in the light of your ever loving care. Open our lives to what you want to do, what you need to do and what you shall do, for each one of us, through the grace and power of Christ our Lord. Amen.
